14th EBES Conference Barcelona (Oct 23-25, 2014)

Our most recent conference was held at the Hotel Silken Diagonal Barcelona in Barcelona, Spain and 473 papers by 745 colleagues from 61 different countries have been presented. Conference program and pictures are available at our official webpage: www.ebesweb.org

Our next conference will be held on January 8th, 9th, and 10th, 2015 at the *ISCTE-IUL Instituto Universitário de Lisboa* in Lisbon, Portugal. Participants will have the opportunity to listen 369 papers by 628 colleagues from 51 different countries.

Publications Opportunities

Latest issues of Eurasian Business Review (EBR) 4(2) and Eurasian Economic Review (EER) 4(2) have been published. Each year, we are gradually increasing the number of papers being published in our journals. After publishing 4 papers in each issue in 2013 in EER, we increased to 6 papers in 2014 and next year this will increase to 7 in each issue. With increasing number of members and conference attendance, we believe that these journals will become one of the best in their fields. The easiest way to help us reach our goal, please cite EER (<http://link.springer.com/journal/40822>) and EBR (<http://link.springer.com/journal/40821>) in your research.

As you might know, papers presented in EBES conferences have been started to be published in Springer's series called ***Eurasian Studies in Business and Economics***. Each issue is sent to Thomson Reuters in order to be reviewed for coverage in its *Conference Proceedings Citation Index*. First issue of the Eurasian Studies in Business and Economics will be published in 2015. The 10th, 11th, and 12th EBES Conference Proceedings have already been accepted for inclusion in the Conference Proceedings Citation Index. Subsequent conference proceedings are still in progress. Finally, EBES also publishes the EBES Anthology annually to give opportunity for the papers presented at the EBES conferences.
