

EBES Newsletter
Issue: 28, December 2020

Dear Members,

2020 was an unforgettable year, unlike any other that we have seen before. It has been a dramatic year with Covid-19 disruptions and social reckoning. Long-term working remote working, social distancing, wearing masks, and refraining from seeing loved ones were just couple of examples what we went through in 2020. Racial equality, social justice, geopolitical and economic uncertainty, and numerous natural disasters were also just added to our struggles in 2020.

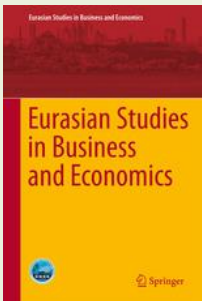

Despite these events, we stayed focused on priorities and continued to deliver our responsibilities to our members, conference participants, and authors that published their papers in our journals. With the New Year, we hope you will be able to spend time relaxing and connecting with loved ones, in a safe way.

We wish you all a Happy New Year and look forward to continuing our work together in the New Year.
