Dear EBES Members,

We hope that you and your loved ones are safe and healthy during these unprecedented times. As might recall, it has been more than a year since the last time we have organized our conferences in-person due to the impact of COVID-19. Therefore, we are excited to announce that after successfully organizing five online conferences in which a total of 736 papers by 1462 colleagues are presented, *36th EBES Conference - Istanbul* will be held both online and in-person.

As our priority continues to be the well-being of our members and participants, we are taking steps to ensure a safe and healthful environment. We look forward to seeing you in-person or online.

If you have any question at any time, please do not hesitate to contact us.

Stay safe and healthy!
