EBES Newsletter
Issue: 32, December 2021

Dear EBES Members,

On behalf of EBES, we would like to thank all of you for your commitment and the tremendous contributions you have to EBES and its journals throughout this year. 2021 was another extraordinary and dramatic year for all us as we struggle to adjust to the new normal in our daily life.

Despite all obstacles we have experienced due to Covid restrictions, we were able to successfully organize 4 conferences while in Istanbul, we accepted in-person presentations for the first time. Meeting with some of our members in Istanbul reminded us how much we missed each other. With Omicron rising in the world, it seems like another harsh year is expecting us and we will continue to organize online only or hybrid conferences in 2022. As such, our next two conferences Warsaw (Jan 12-14, 2022) and Rome (April 6-8, 2022) will be hybrid.

Having said that now it is time we turn the page and begin the next the chapter. This time of the year is not only a moment to pause and reflect on all that we have accomplished but also be with the ones who matter most to us or carve out some personal time for ourselves.

We wish all of you and your loved ones enjoyable times together this season and look forward to connecting with you in person in 2022.

Happy New Year!

Best,

EBES

Call for Papers
