EBES Newsletter
Issue: 47, October 2025

Dear EBES Members,

We are delighted to announce the successful completion of our 53rd conference, held on October 16-18, 2025. The conference was organized with the support of the *Istanbul Economic Research Association* in a hybrid format, featuring both online and in-person presentations at the *Faculty of Economics and Business, Universidad Complutense Madrid* in Madrid, Spain.

The conference welcomed high-caliber research papers from distinguished scholars around the world. Due to the high volume of submissions, not all papers could be accommodated. In total, 260 papers were presented by 548 colleagues from 64 countries. We, *EBES*, extend our heartfelt thanks to all participants, invited speakers, and the host institution for their valuable contribution.

In the 53rd *EBES Conference*, the prestigious **John P. Rust Best Paper Award** was presented to **“Letting the Reins Loose: Central Bank Stock Purchases and Corporate Governance”** by **Kohei Aono** from *Ritsumeikan University*, Japan; **Hiroshi Gunji** from *Daito Bunka University*, Japan; and **Hayato Nakata** from *Meisei University*, Japan. We sincerely thank **Springer Nature** for supporting the *Best Paper Award*.

The **Runner-up Award** was presented to **“Fair Volatility: A Framework for Reconceptualizing Financial Risk”** by **Sergio Bianchi** from *Sapienza University of Rome*, Italy and **Daniele Angelini** from *Sapienza University of Rome*, Italy. The **Third Place Award** went to **“Automation and Corporate Social Responsibility”** by **Cansu Iskenderoglu** from *Ozyegin University*, Türkiye and **Baris Ince** from *Goethe University Frankfurt*, Germany.

We thank everyone who contributed to the success of the conference and look forward to the continued insights and impact these works will bring to the field.
